

This is a Heading H1

This is a Heading H2 it is smaller

This is a Heading H3 it is smaller

This is a Heading H4 it is smaller

This is a Heading H5 it is smaller

This is a Heading H6 it is smaller

This is a Heading H7 it is regular text because h7 does not exist

As you can see, the size changes but the meaning is the most important part

[illegible]

This is a second paragraph right after the first paragraph.

[illegible]

blablabla blablabla blablabla blablabla

blablabla blablabla blablabla blablabla

blablabla

blablabla

blablablabla blablablabla

This is a third paragraph (notice I used the tag `
` for going to the next line. It is difficult to put html tags in the html text. This `<p>` is not a paragraph `</p>`).

The image of a cat (size 150 x 150), with a message on the cat "just a cat".

Rename the image in such a way that you cannot see the image but you can see the information given with the attribute alt.
